PUBLIC MEETING & WORKSHOPS

Workshop Notice

October 2, 2000
10 am – 4 pm

Hiram Johnson State Building
455 Golden Gate Avenue, Training Rooms 2 and 3
San Francisco

The California Public Utilities Commission's Division of Strategic Planning will conduct a workshop to help write new rules for the **Deaf and Disabled Telecommunications Program (DDTP)**.

Background: The California Legislature passed Senate Bill 669 in 1999 that:

- 1) Creates the DDTP Administrative Committee as an advisory board for the CPUC to help develop, implement, and administer programs providing telecommunications services and equipment to the deaf or disabled, and
- 2) Requires funds for the DDTP be held in the State Treasury (instead of a bank trust fund as is currently done).

This proceeding, known as Rulemaking 00-05-001, is intended to develop procedures to carry out the requirements of SB 669. This rulemaking is aimed at:

Ensuring that the DDTP has adequate administrative authority and resources to "carry out the programs pursuant to the commission's direction, control, and approval" (Public Utilities (P.U.) Code Section 278(a)(1)),

Reviewing the DDTPAC's structure to ensure that it achieves "appropriate representation by the consumers of telecommunications services for the deaf and disabled," as SB 669 requires (P.U. Code Section 278 (a) (2)), and,

Implementing the changes in financial administration that SB 669 requires.

Ground Rules for this Workshop:

The atmosphere at the workshop will be informal. However, a court reporter will record the Workshop and a transcript will be available at a later time. Only if needed will the moderator impose time limits for speakers and other control measures.

- 2) The workshop will explore the issues raised in the Order Instituting Rulemaking (OIR), (see <ftp://ftp.cpuc.ca.gov/gopher-data/agenda/r0005001.pdf>), issues presented by the assigned ALJ, and other specific topics raised by participants. The workshop participants are asked to explore and evaluate all the items on the agenda, not merely iterate or defend a position.

- 3) The CPUC invites anyone interested in this subject to comment in person at this workshop. If you cannot attend, write or e-mail your views to the Commission's Public Advisor:

California Public Utilities Commission

Public Advisor's Office

505 Van Ness Avenue, 5th Floor

San Francisco, CA 94102

public.advisor@cpuc.ca.gov

Please include R.00-05-001 in your mail or e-mail.

The hearing location is accessible to persons with disabilities and will have sign language interpreters, real-time captioners, and voicers available. Please call the Commission's Public Advisor at least five working days before the workshop if you need to request other

reasonable accommodation: 415-703-2074 (V), 415-703-2032 (TTY) or 800-229-6846 (TTY)

4) Mark Vandervelden of the Division of Strategic Planning will chair and moderate this workshop.

5) Mr. Vandervelden will prepare and file a Workshop Report with the Commission presenting the views of workshop participants. The Commission may use this report as a basis for the discussion of SB 669 implementation issues. For more information contact Mark Vandervelden at (415)703-2329 or by e-mail: mav@cpuc.ca.gov.

Summary: On September 13, 2000, Rose Johnson, Government Affairs Vice President, AT&T Communications of California, Inc. ("AT&T"), met with Cmmr. Bilas in San Francisco. Also present were Lester Wong, advisor to Cmmr. Bilas, Walt Willard, District Manager-Local Service and Access Management, and Bob Kargoll, Regulatory Director, of AT&T. Johnson also stated that parties should be

permitted to file comments on the Price Waterhouse Coopers audit. Willard explained why it was important for DSIs is to be included as part of the Operations Supporting System, and why parties should be permitted to see the Operations Supporting System test results prior to the release of the test administrator's report.

Summary: On September 18, 2000, Bill Stock, Director, Regulatory Relations, Pacific Gas and Electric Company ("PG&E") met Laura Krannawitter, advisor to Cmmr. Everett and Manheim explained that the Settlement Agreement includes a Market Power Mitigation Agreement and a comprehensive Revenue Sharing Agreement that reduce ratepayer exposure to wholesale price volatility, prevent the exercise of market power, and create and energy price hedge for customers going forward, and that, under the Revenue Sharing Agreement, 90 percent of revenues above expenses is given back to customers. Everett stated that under the settlement, International Brotherhood of Electrical

Workers' hydro employees would be protected during and after the transfer of the hydro facilities to a non-utility affiliate of PG&E Corporation. Everett also outlined the concerns of various water districts and how they had been resolved through the settlement or associated agreements.

Summary: AUGMENTATION REQUIRED. On September 19, 2000, Nelsonya Causby, for Pacific Bell Telephone Company "Pacific"), sent a letter to Cmmr. Lynch. Copies of the letter were also sent to Cmmr. Neep, Cmmr. Bilas, Cmmr. Wood, and Cmmr. Duque. The letter is a response to the letter dated 8-28-2000, sent by John Clark of Goodin, MacBride, Squeri, Ritchie and Day, LLP, on behalf of the Association of Communications Enterprises ("ASCENT") and the California Association of Competitive Telecommunications Companies ("CALTEL") regarding Pacific's Accessible Letter EA00-007. In its letter, Pacific explains that the issues raised by ASCENT/CALTEL are not relevant to the 271 proceeding. Pacific also stated that toll

competition is thriving in California and was not adversely affected by the actions described in the accessible letter. Pacific also clarifies that although some carriers were blocked from using online access to Pacific's CESAR EARS system for part of August, full access has been restored and charges for such access have been suspended, and, during the period online access was blocked, other means of changing PICs remained available to interexchange carriers.

Summary: LATE FILED. On September 18, 2000, John McClendon, counsel to the City of Huntington Beach (City), met with Tim Sullivan, advisor to Cmmr. Duque, and on September 19, 2000, John McClendon met with Cmmr. Neep, Cmmr. Bilas, and Geoffrey Dryvynsyde, advisor to Cmmr. Lynch, in three separate meetings. All four meetings took place in San Francisco. In the meeting with Tim Sullivan also participated Lynne McGee, advisor to Cmmr. Duque; in the meeting with Cmmr. Bilas also participated Julie Halligan, advisor to Cmmr. Bilas. Howard Zelefsky, the City's Planning Director, participated in the meetings with Tim Sullivan, Cmmr. Neep, and Cmmr. Bilas. The City's representatives described the merits of the proposed alternate decision (PAD) of Cmmr. Wood. The City's representatives noted, among other things, the alternate's correction of the conflict between the proposed decision of ALJ Weiss (PD) and the Final Environmental Impact Report; its recognition that the record does not contain sufficient evidence to conclude that the City is not "willing" to provide water service. The City's representatives explained why the approval of the PAD is likely to result in the City and the Developer agreeing to a pre-annexation agreement and the approval of the PD will create an impediment to the ultimate annexation of the Bolsa Chica Mesa into the City.

Order Instituting Rulemaking on the Commission's own motion into reciprocal compensation for telephone traffic transmitted to internet services providers modems

Summary: On September 20, 2000, Lisa Bickford, General Manager of InReach Inernet and a member of the California ISP Association, sent a letter (attached to the notice) to Cmmr. Lynch. The letter was also addressed to Cmmrs. Wood, Bilas, Duque and Neeper.
